MY PRODUCTS

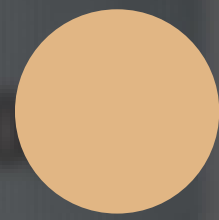

Awesome book

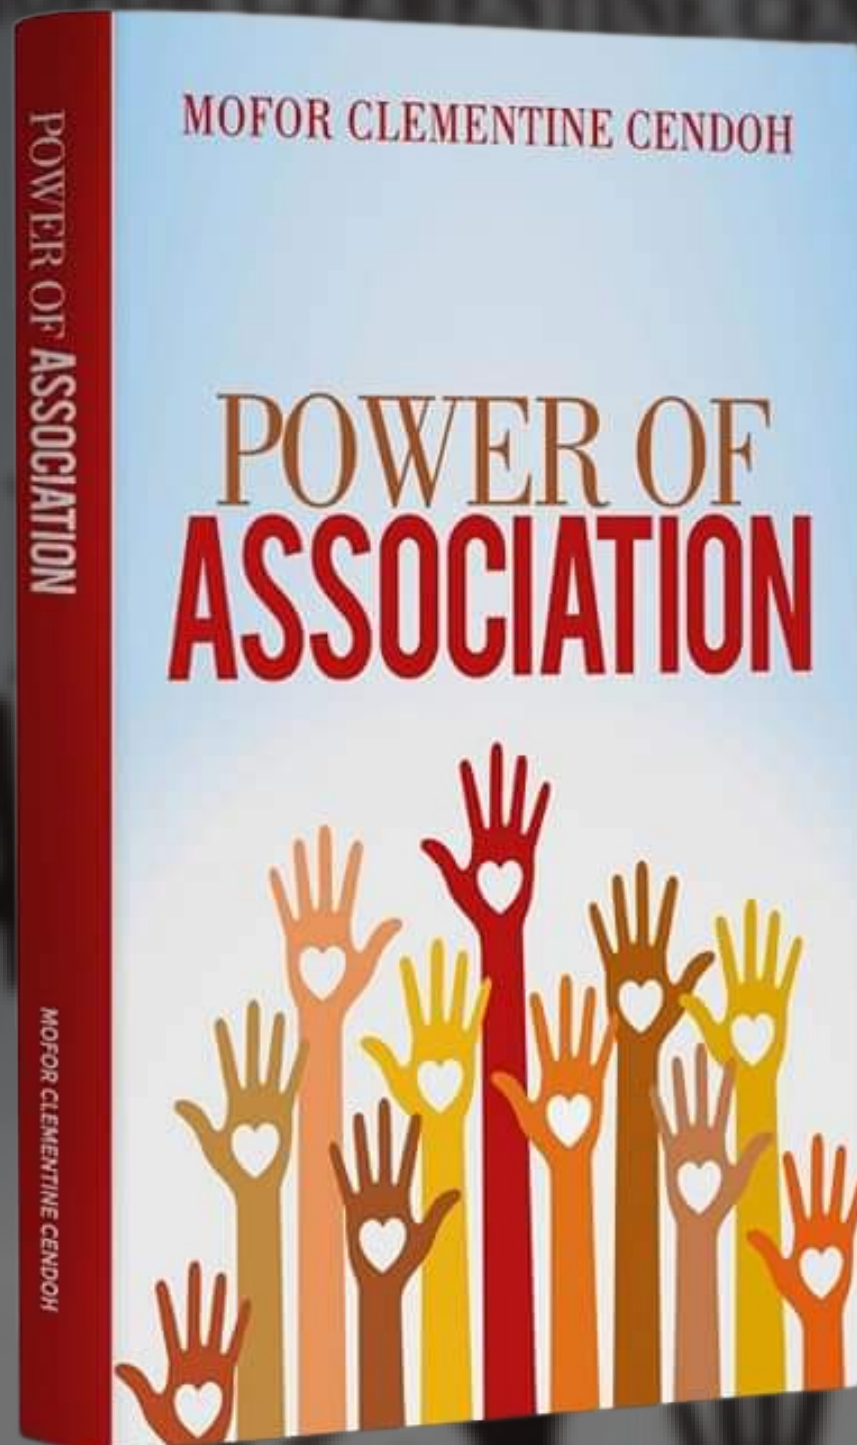

As an established business icon and or startup, it's hard to wake up daily with the momentum to face every business day like the last day, this book acts as your memory bank, motivation and reminder clock to keep the new steps coming

Dr. Cendoh

NEW PRODUCT

color available

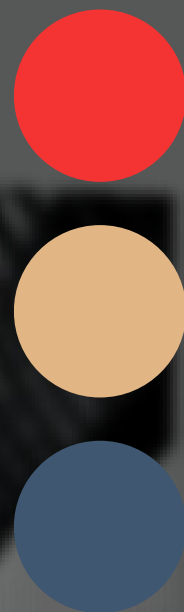

Awesome book

The association you keep in every angle of your life: business, family, finance, habits... will determine how far you will go every step of the way.

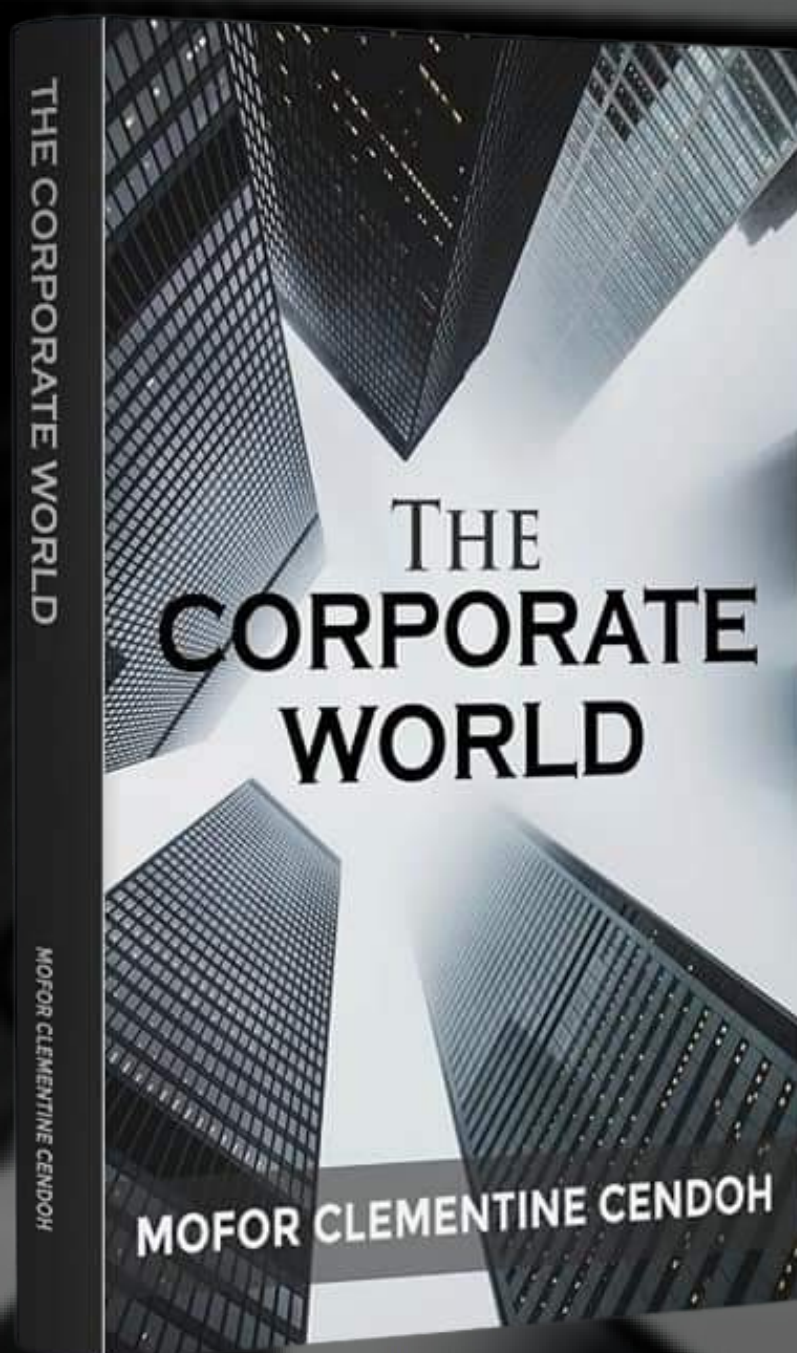

The power of association helps the reader understand the aptitudes, temperament, resonance and frequencies that affect life in its entirety

Awesome book

Not as simple as it may sound, not as intricate as it seems, all you need are the roles of the game and yes, you are welcome to the decision markers table. Let's point out those roles from every page of THE CORPORATE WORLD.
